When Making Inquiry for Report

please remember to give us

1. LINE OF BUSINESS.

2. STREET LOCATION.

If you cannot give either, indicate at least the nature of goods which your customer is ordering. For instance, say, "Buying Shoes," "Buying Hardware," "Ordering Ladies' Suits," etc., etc.

Our records show that thousands of inquiries are made each year, on which, after the lapse of several days for investigation, we have to report "Unable to Locate"; or perhaps our reporting office furnishes us with report on a similar name, but in a line of business not likely to be sold by our subscriber. It is unfortunate that through these frequently avoidable and unnecessary delays, our subscribers receive cancellations of orders, or at least incur the displeasure of a prospective customer.

It will help us to avoid many vexatious delays if you will favor us by following the suggestions made above.

Instructions to your salesmen to accompany all orders from new customers with exact location will be of benefit.

ALBERTA--ABSTRACT OF COLLECTION LAWS, ETC.

ACTIONS.—All actions are brought in the Supreme Court of Alberta or in the District Court of one of the Judicial Districts into which the Province is divided, or where the action concerns a patent or copyright or certain Federal Acts relating to revenue, in the Exchequer Court of Canada. The Judicial Districts of the Province are: Edmonton, Peace River, Wetaskiwin, Macleod, Red Deer, Stettler, Calgary, Hanna, Lethbridge and Medicine Hat. The jurisdiction of the District Court extends to all actions where the amount does not exceed $600.00, provided the cause of action arose or the defendant resides within the Judicial District in which the action is brought. The jurisdiction of the Supreme Court of Alberta is practically unlimited. Appeals may be taken from the judgment at trial of the District Court and of the Supreme Court to the Appellate Division of the Supreme Court. In case the subject matter of the appeal involves an amount less than $200.00, there is no right of appeal without leave of the Appellate Division.

AFFIDAVITS.—Affidavits, oaths, affirmations, or declarations sworn, affirmed, or made out of Alberta are valid and effectual if made before the following officials: (a) *In England or Ireland:* (1) Before a Judge of the Supreme Court of Judicatore. (2) A Judge of any County Court within the County. (3) A Commissioner authorized to administer oaths in the Supreme Court of Judicature. (b) *In Scotland:* (1) Before a Judge of the Court of Session or of the Judiciary Court of Scotland. (c) *In British Possessions and India:* (1) Before any magistrate or Collector certified to be such under the hand of the Governor of such possession. (d) *In Quebec:* Before a Judge or Prothonotary of the Superior Court or a Clerk of the District Court. (e) *Anywhere:* Before (1) a Judge of any Court of supreme jurisdiction or any Court of record. (2) The mayor or chief magistrate of any city, borough, or town corporate certified under the seal of such city, borough or town corporate. (3) Any Consul, Vice-Consul, or Consular Agent of his Majesty exercising his functions. (4) A Notary Public certified under his hand and an official seal. (5) A Commissioner authorized by the laws of Alberta to take such affidavits.

ALIENS.—Aliens may acquire, hold and dispose of real and personal property as freely as British subjects.

ARREST AND IMPRISONMENT FOR DEBT.—There is no provision for arrest or imprisonment for debt in Alberta, nor is there any provision for the attachment of a debtor who is absconding or about to abscond from the Province with the intention of defrauding creditors. Under the provisions, however, of the Criminal Code of Canada, every one is guilty of an indictable offence and liable to a fine of $800 and to one year's imprisonment who (a) with intent to defraud his creditors, (i) makes or causes to be made any gift, conveyance, sale, etc., of his property, or (ii) removes, conceals or disposes of any of his property; or, (b) with the intent that any one shall so defraud his creditors or any of them, receives any such property; (c) being a trader and indebted in a sum exceeding $1,000 and unable to pay his creditors in full, has failed to keep ordinary books of amount. The code also provides stringent penalties for numerous other offences in matter relating to trade and commerce, such as falsification or destruction of title deeds or other documents, fraudulent sales and hypothecation of warehouse receipts, etc.

ASSIGNMENT OF BOOK DEBTS.—Every assignment by any person engaged with any trade or business of his existing or future book debts or any class or kind thereof shall be in writing. Such writing is a conveyance under The Bills of Sale Act. The assignment must be accompanied by an affidavit of a witness thereto of the due execution thereof, and an affidavit of the assignee or his agent that the assignment is bona fides and for good consideration as set forth in the assignment, and not for the purpose of holding or enabling the assignee to hold the said debts against the creditors of the assignor. The assignment and affidavit must be registered within thirty days from the execution thereof in the proper registration district, otherwise the assignment is void. Assignment includes all assignments by way of security and all other mortgages or charges upon book debts. Such an assignment if made by a company must be filed with the Registrar of Joint Stock Companies. If the assignee is a corporation, the affidavit of bona fides may be made by the President, Vice-President, Manager, Assistant-Manager, Secretary or Treasurer of such corporation, or by any person duly authorized by resolution of the Directors in that behalf. If the Head Office of the corporation be outside the Province, then the affidavit may be made by any general or local manager, secretary or agent of the corporation within the Province, or by any person duly authorized by the Directors in that behalf. Such affidavit shall state that the deponent is aware of the circumstances, and has a personal knowledge of the facts deponed to.

ATTACHMENTS.—After the commencement of an action for recovery of debt the plaintiff or his agent having personal knowledge of the facts, stating clearly from what cause the debt arose and the amount, and that he has good reason to believe (giving reasons) that the defendant (a) is about to leave or has left the Province, leaving behind him personal property liable to seizure, (b) or has attempted to remove such property out of the Province or to sell and dispose of same with intend to defeat his creditors generally or the plaintiff in particular, or (c) keeps concealed to avoid service of process; and (d) in either case that the deponent believes that the plaintiff without the benefit of the attachment, will lose his debt or sustain damage; together with a further affidavit by another credible person who is well acquainted with the defendant that he has good reason to believe (giving reasons) that the defendant is about to carry out one of the acts (a), (b) or (c); the Judge may order a writ of attachment to issue to the Sheriff, under which the personal property of the defendant is seized and held until the action is disposed of.

BANKRUPTCY. — (See Canadian Bankruptcy Act in final pages of Reference Book.)

BILLS OF EXCHANGE AND PROMISSORY NOTES.—The law of bills, notes and cheques is regulated by Federal Act. Three days of grace are carried by all bills and notes excepting those payable on demand. Where they fall due on a Sunday or holiday, they become payable on the next juridicial day. Interest does not commence to run until after maturity unless so expressed in the bills or notes. Where no interest is expressed, dishonored bills, notes and cheques carry 5 per cent. interest under the statute from date of dishonor. Protest must in general be made upon dishonor to hold indorsers.

BILLS OF SALE AND CHATTEL MORTGAGES.—Every mortgage or conveyance intended to operate as a mortgage on goods and chattels, which is accompanied by an immediate delivery and an actual and continued change of possession of the goods mortgaged, shall within thirty days from the execution thereof be registered in the proper registration district, together with the affidavit of the witness thereto of the due execution of such mortgage or conveyance, and also with the affidavit of the mortgagee, or one of several mortgagees, or the agent of the mortgagee or mortgagees, if such agent is aware of all the circumstances in connection therewith. This affidavit shall state the mortgagor therein named is justly and truly indebted to the mortgagee in the sum mentioned in the mortgage, and that it was executed in good faith and for the express purpose of securing the payment of money justly due or accruing due, and not for the purpose of protecting the goods and chattels mentioned therein against the creditors of the mortgagor, or of preventing the creditors of such mortgagor from obtaining payment of any claim against him. Such mortgage or conveyance shall have and take effect from and after the date and time of filing thereof. Every sale, assignment or transfer of goods and chattels not accompanied by an immediate delivery, and followed by an actual and continued change of possession of the goods and chattels sold shall be in writing. Such writing is a conveyance under the provisions of the The Bills of Sale Act, and requires the affidavit of a witness thereto of the due execution thereof, and an affidavit of the Bargainee that the sale is bona fide and for good consideration as set forth in the said conveyance, and not for the purpose of holding or enabling the Bargainee to hold the goods mentioned therein against the creditors of the Bargainor. Such conveyance and affidavits shall be registered within thirty days from the execution thereof, otherwise the sale, assignment or transfer shall be absolutely void as against the creditors of the Bargainor, and as against subsequent purchasers or mortgagees in good faith. Such registration shall have effect only in the registration district wherein it is effected. As to Assignment of Book Debts

by traders, see under Assignment of Book Debts. The proper registration district is the registration district in which the property described in the mortgage or transfer is situate at the time of the execution of the instrument, and book debts shall be deemed to be situate in the registration district in which the assignor carries on trade or business. No mortgage, bill of sale, lien, charge, encumbrance, conveyance, transfer, or assignment, which is intended to operate and have an effect as a security shall, in insofar as the same purports to bind, compromise, apply to or effect any growing crop or crops to be grown in future, in whole or in part, be valid except the same be made, executed or created as security for the purchase price and interest thereon of seed grain, or as security for the purchase price of meat, groceries, flour, clothing and binder twine, or as security for money borrowed for the purpose of paying for repairs to machinery or paying the wages of laborers engaged in the sowing or harvesting of such crop, collectively called in The Bills of Sale Act "necessaries." The affidavit of bona fides shall contain, among the other necessary allegations, a statement that the same is taken to secure the purchase price of seed grain. No such security to secure the price of seed grain shall be given upon any crop which is not sown within one year from the date of the execution of the said security. The date of the purchase of seed grain, the number of bushels, and the price per bushel, shall be stated in the security as well as in the affidavit of bona fides. The maximum amounts which may be charged upon crops are as follows: A quarter section, the sum of $250.00; more than a quarter section but not more than a half section, the sum of $350.00; more than a half section, the sum of $500.00. Such security for necessaries shall only charge and bind the crops grown during the year in which such security is given. Priority is given to such a security over any other chattel mortgage or bill of sale, seed grain lien, execution, or distress whensoever given or levied. Securities for the purchase price of seed grain have priority over securities given for necessaries. Every mortgage filed in pursuance of the Bills of Sale Act shall cease to be valid as against creditors of the person making the same and as against subsequent purchasers or mortgagees in good faith for valuable consideration after the expiration of two years from the filing thereof, unless within thirty days next preceding the expiration of the said term of two years a statement exhibiting the estate of the mortgagee, his executors, administrators or assigns, in the property claimed by virtue thereof, and a full statement of the amount still due for principal and interest thereon, and of all payments made on account thereof, is filed in the office of the Registration Clerk of the District wherein the property is then situate, together with an affidavit of the mortgagee, or of one of several mortgagees, or of the assignee, or one of several assignees, or of the agent of the mortgagee or assignee, or mortgagees or assignees, as the case may be, stating that such statements are true and that the said mortgage is not being kept on foot for any fraudulent purpose. After the first renewal statement is filed, further renewal statements must be filed yearly in the district wherein the property is then situate within thirty days next preceding the expiration of the term of one year from the date of filing the former renewal statement. If the mortgage or conveyance and affidavits are not registered as provided by The Bills of Sale Act, or in case the consideration for which the same is made is not truly expressed therein, the mortgages or conveyances shall be absolutely void as against creditors of the mortgagor, and as against subsequent purchasers or mortgagees in good faith for valuable consideration. If the mortgagee or bargainee is a corporation, the affidavit of bona fides may be made by the President, Vice-President, Manager, Assistant-Manager, Secretary or Treasurer of such corporation, or by any person duly authorized by the Directors in that behalf If the head office of the corporation be outside the Province, then the affidavit in any such case may be made by any general or local manager, secretary or agent of the corporation within the Province, or by any person duly authorized by the Directors in that behalf. Such affidavit shall state that the deponent is aware of the circumstances, and has a personal knowledge of the facts deponed to. If the goods and chattels covered by a chattel mortgage or bill of sale are removed to another registration district, a certified copy of the mortgage under the hand of the Registration Clerk in the office where the mortgage is registered, and of the affidavit and instruments relating thereto, must be filed with the Registration Clerk of the District to which such goods and chattels are removed within three weeks from such removal, otherwise the said goods and chattels are liable to seizure and sale under execution, and the mortgage shall be void as against subsequent purchasers and mortgagees in good faith for valuable consideration. Under the Bank Act, chartered banks are allowed to take security in the form of a pledge of warehouse receipts, and of the product of the forest, mine, etc., which pledges are valid under the provisions of this Act, but must be registered with the Receiver General under Section 88 of The Bank Act.

COMMISSIONS.—Commissions for the taking of evidence may issue in any pending suit in the District Courts or in the Supreme Court of Alberta, where a witness is absent and unable to attend trial; the costs of commission as a rule being allowed to the successful party.

CONDITIONAL SALES.—In all sales of goods of the value of $15 or over, where it is agreed that the property in the goods will not pass to the purchaser until payment is made in full, notwithstanding the actual delivery of possession to the purchaser, the agreement must be in writing and registered in the office of the Clerk of the Registration District in which the goods are situate, within 30 days from the date of actual delivery, accompanied by an affidavit of bona fides by the seller or bailor. In default of such registration the seller or bailor loses his right of property against any purchaser or mortgagee in good faith, or against judgments, executions or attachments. Provision is now made that the provisions of The Conditional Sales Act as to registration shall not apply to the sale or bailment of any manufactured goods or chattels of the value of $15.00 or over which at the time of the actual delivery thereof to the buyer or bailee have the manufacturers's or vendor's name painted, printed or stamped thereon or plainly attached thereto by a plate or similar device, provided that such manufacturer or vendor, being the seller or bailor of such goods or chattels keeps an office in Alberta where inquiry may be made and information procured concerning the sale or bailment of such goods or chattels; and provided that such manufacturer or vendor or his agent does, within five days after receiving a request in writing from any person proposing to purchase goods or chattels or from any actual or intending creditor of the buyer or bailee, furnish to him a statement of the amounts, if any, paid thereon and the balance remaining unpaid The person so inquiring must give a name and post office address to which a reply may be sent, and the Act provides that the information aforesaid shall be sufficient if given by registered letter deposited in the post office within five days addressed to the person inquiring at his proper post office address. Failure to comply with this requirement prevents the seller or bailor from setting up any right of property or right of possession retained by him upon the sale or bailment against the person making the inquiry, or his assigns, or as against any purchaser or mortgagee from or of him or them in good faith and for valuable consideration or as against judgments, executions or attachments against him or them. Within thirty days next preceding the expiration of two years, a statement of the amounts still due for principal and interest at a sale or bailment, and of all payments made on account thereof must be registered in the office of the Registration Clerk of the Registration District in which the property is then situate, with an affidavit by the seller or bailor or other duly authorized agent stating that the statements are true and that the said sale or bailment is not kept on foot for any fraudulent purpose, or to defeat, delay or prejudice the creditors of the buyer or bailee. The statement must be filed annually within thiry days next preceding the expiration of the term of one year covered by any renewal statement. After the goods are removed into another Registration District, a further registration must be made in the District into which such goods are removed within sixty days after such removal. There is an exemption in the case of marked goods which renders registration unnecessary on removal of marked goods to another district.

CREDITORS' RELIEF ACT.—Under the provisions of the Creditors' Relief Act, there is no priority amongst execution creditors. When money is realized by a Sheriff under an execution in his hands, the amount is held by him for 30 days to enable all other creditors of the debtor to obtain judgment and file their executions with him; or to proceed to file certificates under special provisions of the Act. Upon the expiration of the 30 days the amount is distributed ratably amongst all creditors of $100.00 or upwards, upon affidavit of having at that time executions or certificates in the Sheriff's hands.

EXECUTIONS.—Writs of Execution may issue to any or all Sheriffs in the Province unless a stay of execution is ordered by a Judge. Executions bind the goods of the debtor from the time of delivery thereof for execution to the Sheriff of the Judicial District within which the goods are situate, and his lands from the time of registration in the Land Titles Office. Lands ordinarily cannot be sold under a Writ of Execution within less than twelve months unless a Judge under special circumstances shall otherwise order. Executions against goods and chattels remain in force so long as the judgment on which it is issued remains in force. An Execution filed in the Land Titles Office ceases to bind or affect land at the expiration of six years from the date of the receipt thereof by the Registrar of the Land Titles Office, but the execution may be renewed before the expiration of such period of six years for a further period of six years, and so on as long as the judgment remains in force.

EXEMPTIONS.—The following are the exemptions from seizure under all writs of execution issued by any court in Alberta: (1) The necessary and ordinary clothing of himself and his family; (2) furniture, household furnishings, dairy utensils, swine and poultry to the extent of $500; (3) the necessary food for the family of the execution debtor during six months, which may include grain, flour, vegetables and meat, either prepared for use or on foot: (4) four oxen, horses or mules, or any four of them; six cows, six sheep, three pigs and fifty domestic fowls besides the animals the execution debtor may have chosen to keep for food purposes, and food for same for the months of November, December, January, February, March and April, or for each of these months or a portion thereof as may follow the date of seizure, or of attempted or proposed seizure, provided such seizure be made, attempted or proposed between the 1st day of August and the 30th day of April next ensuing; (5) harness necessary for four animals, one wagon or two carts, one mower or cradle and scythe, one breaking plough, one cross plough, one set harrows, one horse rake, one sewing machine, one reaper or binder, one set of sleighs and one seed drill; (6) the books of a professional man; (7) the tools and necessary implements to the extent of $200 used by the execution debtor in the practice of his trade or profession: (8) seed grain sufficient to seed all his land under cultivation, not exceeding 160 acres, at the rate of two bushels per acre, and as selected by the execution debtor, and fourteen bushels of potatoes; (9) the homestead, provided the same be not more than 160 acres; in case it be more, the surplus may be sold subject to any lien or incumbrance thereon; (10) the house actually occupied by the execution debtor and buildings used in connection therewith and the lot or lots on which the same are situate according to the registered plan of the same; provided the value of such house, building and lots does not exceed $3,000.00, but if such value does exceed $3,000.00, the house, building and lots may be offered for sale, and if the amount bid thereat, after deducting all costs and expenses, exceeds $3,000.00, the property shall be sold, and the amount to the extent of the exemption shall at once be paid over to the execution debtor, and shall till then be exempt from seizure under any legal process, but no such sale shall be carried out or possession given to any person thereunder until the execution debtor shall have received $3,000.00. In case of the death of the execution debtor, his property exempt from seizure under execution shall be exempt as long as the said property is in the use and enjoyment of the widow and infant children of the deceased, and is necessary for the maintenance and support of his widow and infant children, or any of them.

EXTRA-JUDICIAL AND OTHER SEIZURES.—Every distress or seizure under the authority of any lease, attornment clause, in any real estate mortgage or agreement of sale, relating to either insurance premium, interest, principal or installment of principal in agreement of sale, conditional sale, chattel mortgage, bill of sale, lien note, hire receipt, warehouse receipt, bill of lading, or any other extra-judicial process whatsoever (not being a distress for taxes) must be made, levied and executed and carried into effect by a Sheriff, Sheriff's Bailiff or other person authorized by the Sheriff in writing, and no sale following on such distress or seizure can be made except upon the order of a Judge. Neither can the effects seized be removed until such order is obtained.

FOREIGN COMPANIES.—All companies incorporated outside the Province, except those which are incorporated under the authority of the Parliament of Canada, must register under The Foreign Companies Ordinance and pay the registration fees before commencing business in Alberta. Any foreign company carrying on business without being registered is liable on summary conviction to a penalty of $50 per day for every day upon which it carries on business without being registered; and the agent or manager within the Province is liable to a like penalty. The fees payable on registration are as follows: For companies having a capital not exceeding $100,000, $75; not exceeding $200,000, $125; not exceeding $500,000, $300; not exceeding $1,000,000, $450; not exceeding $3,000,000, $500; and for every additional $1,000,000 or fraction, over $3,000,000, an extra $100. A company having no office or warehouse in the Province, but selling goods by travelers or by mail, where the goods are subsequently imported into the Province to fill the orders, is not carrying on business within the Province within the meaning of the Act.

HOLIDAYS (Legal).—Holidays include Sunday, New Year's Day, Ash Wednesday, Good Friday, Easter Sunday, the 24th day of May or when such day falls on Sunday, the 25th day of May, to be known as Victoria Day, Christmas Day, the birthday or day fixed by proclamation for the celebration of the birthday of the reigning sovereign, Dominion Day, Labor Day, Arbor Day, being the second Friday in May, or a day fixed in lieu thereof, and any other day appointed by general proclamation for general feasting or thanksgiving.

INTEREST.—There are no usury laws in force in the Dominion of Canada, and individuals and corporations, in the absence of some special statutory prohibition, might stipulate for, allow and exact on bills or notes or on any other contract or agreement, any rate of interest or discount which is agreed upon. Chartered Banks are not allowed to take more than 7 per cent; they do not, however, incur any penalty or forfeiture for usury, and the customary rate exacted by them is 8 per cent. Under the Money Lenders Act (Dominion) no money lender can stipulate for, allow or exact on any negotiable instrument concerning a loan under $500, a rate of interest greater than 12 per cent, and interest is reduced to 5 per cent, from the date of a judgment for the amount due. The violation of this provision of the Money Lenders Act is an indictable offence, punishable by one year's imprisonment or to a penalty not exceeding $1,000. Where no interest is agreed on or payable by implication of law, the Court may award interest in its discretion in addition to the amount of the debt or claim.

JUDGMENTS.—Judgment may be entered in default in any case of a debt or liquidated demand upon the expiration of the time allowed for filing a defence which is usually fifteen days. In other cases the defendant can file either a Demand for Notice or a Statement of Defence. Provision is made for obtaining judgment summarily on application. Where a judgment is more than six years old, execution cannot issue without leave of a Judge. The judgment creditor has the right of serving an appointment on the judgment debtor to examine him under oath as to his assets and the means he has of satisfying the amount of the judgment. Judgments do not bind any property until execution is issued and lodged with the proper sheriff. Judgments in the Province of Alberta are good for twelve years and may be renewed by taking action on the judgment.

LIENS IN FAVOR OF BANKS authorized by the Laws of the Dominion of Canada. (See this title under the Laws of Ontario. The law is a general one applicable to all the Provinces of the Dominion.)

LIMITATIONS.—All actions for the recovery of merchants' accounts, bills and notes, and all actions of debt grounded upon any lending or other contract without specialty must be commenced within six years after the cause of such action arose. Actions to recover money secured by mortgage, lien, etc., charged on or payable out of lands or rents must be commenced within twelve years, and actions on other specialty debts within twenty years.

MARRIED WOMEN.—Married women have all the rights of an unmarried woman with regard to the acquisition, holding or disposition of property. She may enter into any contract and engage in business separate from her husband, and become liable for any debt. She may transfer lands direct to her husband and receive transfers of land direct from him without the interposition of a trustee.

MECHANICS' LIENS.—Unless there is an Agreement in writing to the contrary, signed by the person claiming the lien, every contractor, laborer and furnisher of materials has a lien for doing work, furnishing materials upon real property in the Province of Alberta. The lien holder obtains priority over a mortgagee or the vendor under an Agreement for Sale of land on which work has been done as against the increase in value of the mortgaged premises by reason of such work or improvements, but not further, unless the same is done at the request of the mortgagee in writing. A lien expires after the expiration of thirty-five days except in the case of a claim for wages owing for work in, at or about a mine, in which case a lien shall cease after the expiration of sixty days after the claimant has ceased from any cause to work thereon, or place or furnish materials therefor, unless in the meantime there is filed in the Land Titles Office or in the office of the Clerk of the Supreme Court an affidavit setting out the particulars required by The Mechanics' Lien Act. Every lien in respect of which an affidavit has been filed shall lapse after the expiration of thirty days after service on the lien holder of a notice requiring the lien holder to take proceedings under his lien and files in the Land Titles Office a certificate to the effect that proceedings have been taken.

PARTNERSHIPS.—Under the Act respecting the registration of partnerships, all prsons associated in partnership for trading, manufacturing, contracting or mining purposes, must file in the office of the Clerk of the Registration District in which the business is carried on, a declaration in the form prescribed in the Act, setting forth the names of the partners, date of commencing and place of business, and length of time it is to be carried on, with in six months from commencement of such business. The penalty for non-registration is $100, to be forfeited by each and every member so carrying on business. Changes in the partnership and notice of dissolution should also be registered.

PREFERENCE.—Under the provisions of The Fraudulent Preferences Act every gift, conveyance, assignment, or transfer, delivery over or payment of goods, chattels or effects, or all bills, bonds, notes, or securities, or all shares, dividends, premiums or bonuses in any bank, company or corporation, or of any other real or personal property, made by a person at a time when he is in insolvent circumstances, or is unable to pay his debts in full, or knows that he is on the eve of insolvency, with intent to defeat, hinder, delay or prejudice his creditors or any one or more of them shall, as against the creditor or creditors injured, delayed or prejudiced, be utterly void, or such gift, etc., as herein set out with intent to give a creditor preference over his other creditors or over any one or more of them shall, as against the creditor or creditors injured, delayed, prejudiced or postponed be utterly void, or such gift, etc., as hereinbefore set out, which has the effect of giving a creditor a preference over the other creditors of the debtor or over any one or more of them, shall in and with respect to any action or proceeding which within sixty days thereafter is brought, had or taken to impeach or set aside such transaction, be utterly void as against the creditor or creditors injured, delayed, prejudiced or postponed.

REGISTRATION.—Chattel mortgages and bills of sale of personal property where no actual and visible change of possession takes place, must be registered, to be effective against innocent purchasers or mortgagees or against executions and attachments. Instruments affecting real property have in general, priority from the date of their registration. A lease for less than three years under which the tenant is in possession, does not require to be registered, and subsequent purchasers and mortgagees take subject to such lease. Leases for a longer term than three years, must be in the form prescribed by the Land Titles Act and registered.

SALES IN BULK.—This act in the Province of Alberta applies to traders and merchants as follows: (a) Persons who, as their ostensible occupation or part thereof, buy and sell goods, wares and merchandise, ordinarily the subject of trade and commerce; (b) Commission merchants; (c) Manufacturers. The Act does not apply to sale by executors, administrators, receivers, assignees or trustees, or to any public official acting under judicial process, or traders or merchants selling exclusively by wholesale, or an assignment by a trader or merchant for the general benefit of his creditors. The Act requires the purchaser and vendor of stock in bulk to obtain a written statement verified by the statutory declaration of the vendor or his agent, of the names and addresses of all creditors of the vendor showing the amount of indebtedness. The following conditions are also to be complied with: (a) The claims of all the creditors of the vendor as shown by said written statement shall be paid in full; or (b) the vendor shall produce and deliver to the purchaser a written waiver of the provisions of The Bulk Sales Act (other than the provisions requiring the Statutory Declaration showing the creditors of the vendor) respecting not less than 60% in number and amount of the claims exceeding $50.00 as shown by the said written statement; or (c) the vendor shall produce and deliver to the purchaser a written consent thereto of creditors of the vendor representing not less than 60% in number and amount of the claims exceeding $50.00 as shown by the said written statement. The trustee to whom the money is paid shall pay same to the creditors who filed claims in accordance with the provisions of The Bankruptcy Act, and such distribution shall be made in like manner as moneys are distributed by a trustee under The Bankruptcy Act. The fees or commission of any trustee under this Act shall not exceed 3% of the total proceeds of such sale which come into his hands. Every sale in bulk which is not in compliance with the provisions of this Act shall be deemed fraudulent and void as against creditors of the vendor. The purchaser is personally liable to account to the creditors of the vendor for all moneys, securities or property realized or taken by him, out of or taken on account of the sale or other disposition by him of such stock, or any part thereof. Action to set aside a sale in bulk shall be commenced within six months from the date of such sale.

STATUTE OF FRAUDS.—No action can be brought on any contract without a memorandum in writing thereof, filed by the party to be charged where the contract is any one of the following:—1. A contract not to be performed within a year; 2. To answer for the debt, default or miscarriage of another; 3. Contract in consideration of marriage; 4. Contract by executor or administrator to answer for the debts of the deceased out of his own estate; 5. Contract for the sale of goods of the value of $50 or upwards, unless the buyer shall accept part of the goods so sold and actually received same, or gave something in earnest to bind the contract or in part payment; 6. Agreements relating to land; 7. Agreements for the payment of commission on sale of land.

VENDORS' LIEN.—In the sale of goods the vendor has a lien for the purchase price so long as he retains the goods sold in his possession. After he has parted with the possession of the goods, he has the right of stoppage in transit upon the insolvency of the purchaser.

VERIFICATION OF ACCOUNTS.—All accounts and claims must be proved by oral evidence (by commission if necessary) if the defendant disputes the claim. In other cases, judgment may be obtained by default if it can be shown by affidavit that the defendant has no defence to the action on the merits, or that the defence has been filed for the purpose of delay only.

BRITISH COLUMBIA--ABSTRACT OF COLLECTION LAWS, ETC.

ACTIONS—May be brought by or against a firm in the firm name. The assignee of a debt or chose in action may sue in his own name. The right of action in such case (except negotiable notes), is subject to equities existing between the debtor and assignor. Actions in the Supreme Court must be commenced by writ of summons, which may be specially indorsed for money demand. The plaintiff may sign judgment eight days after service of writ, in default of appearance. In cases of writs of summons, specially indorsed for a money demand, judgment will be ordered by a judge in chambers, when appearance is filed for purposes of delay only when the plaintiff verifies his claim by affidavit, and the defendant does not satisfy the judge by affidavit that he has a defense, which should be tried in the ordinary way. Actions in the County Court are commenced by a summons, which must be served eight clear days before the return day. County courts sit every month and have jurisdiction up to $1,000 in all personal actions and on any action where debt or demand claimed consists of a balance not exceeding one thousand dollars, after an admitted set-off of any debt or demand claimed or recoverable by the defendant from the plaintiff. It has also an equitable jurisdiction up to $2,500. Small Debts' Court has jurisdiction in matters of simple contract up to $100.

APPEALS—May be taken to the Court of Appeal within three months after judgment, notice of such appeal to be served within three months after judgment, and also to be served not less than fourteen clear days before the first day appointed for the sittings of the Court of Appeal at which the appeal is, according to the terms of such notice, to be entered for hearing.

ARREST.—After an action has been commenced in the Supreme or County Courts for recovery of a debt, money demand, or for damages, and where the defendant is not a person by law exempt from arrest, the defendant may be arrested after affidavit or plaintiff or his servant or agent and affidavits of two credible persons corroborating same showing that such plaintiff has a cause of action against the defendant to the amount of $100 and upwards, or has sustained damage to that amount, and that there is probable cause for believing that the defendant is about to quit British Columbia. A Judge of a Supreme or county court may, upon examination after judgment, commit the defendant in default of payment if he has transferred his property fraudulently, or does not satisfactorily account for same, or in the County and Small Debts Courts, order him to pay debt by instalments, and commit to jail for default of payment.

ATTACHMENTS.—No original attachment, except where debtor has absconded leaving property, woodmen's liens for wages and attachment of debts.

BANKRUPTCY.—(See Canadian Bankruptcy Act in final pages of Reference Book.)

CHATTEL MORTGAGES—Every bill of sale (which includes chattel mortgages), or a true copy thereof, shall, within the period of five days where the goods referred to in the bill of sale are within the corporate limits of a city or town in which is situate an office of the County Court wherein such bill of sale may be registered, and in all other cases a period of twenty-one days after the making thereof next ensuing, be registered by the filing of such bill of sale or copy thereof, as the case may be, together with an affidavit by the party receiving the bill of sale or chattel mortgage that it is given bona fide to secure an indebtedness and not to protect the party giving it in the County Court Registry of such county or place within which the chattels referred to and dealt with in and by such bill of sale are situate. If not so registered it is null and void as against creditors of mortgagor if attached while goods remain in apparent possession of mortgagor. Where company gives chattel mortgage same must also be registered in office of registrar of Joint Stock Companies. A creditor of the maker of a bill of sale or chattel mortgage may demand a statement of the accounts as between the maker and grantee which must be furnished within 15 days of demand accompanied by an affidavit verifying it. If demand frivolous, judge may decree costs against party demanding.

(From Fraudulent Preference Act).—Where a party giving a bill of sale or chattel mortgage makes an assignment for the benefit of creditors within 60 days of the giving of bill of sale or chattel mortgages, or an action is brought by another creditor within 60 days of the giving of bill of sale or chattel mortgage to set the transaction aside, the bill of sale or chattel mortgage becomes void, except in the case where it is made in consideration of a bona fide payment in money or for a present actual bona fide advance of money or a present actual bona fide sale or delivery of goods or other property, or where security by way of mortgage is given to a creditor for a pre-existing debt and an advance in money made to the mortgagor in the bona fide belief that the advance will enable the debtor to continue his trade or business and pay his debts in full.

WINNIPEGOSIS.
BANK OF NOVA SCOTIA

MANITOBA—ABSTRACT OF COLLECTION LAWS, ETC.

AFFIDAVITS—When made outside of the Province for use in the Province should be made before (a) a Notary Public who shall affix his seal; (b) any Judge of any court who shall affix the seal of the Court; (c) any Mayor or any other officer of a municipal corporation who shall affix the seal of the corporation.

ALIENS.—Every kind of property may be held and disposed of by aliens in the same manner as by British subjects.

ARREST.—Arrest for debt has been abolished.

ATTACHMENTS.—A debtor is liable to have his property, real and personal (except such as is exempt from seizure and execution), attached for payment of a debt or the satisfaction of a legal cause of action as follows. Where debt or cause of action does not exceed $500. (a) Where debtor absconds from the Province leaving personal property; (b) attempts to remove personal property out of the Province or is immediately about to make such removal; (c) keeps concealed within Manitoba to avoid service of process. Where debt or cause of action is over $500 attachment may issue against real or personal property of the debtor not exempt from seizure. (a) Where debtor departs from Province with intent to defeat or defraud his creditors or to avoid being arrested or served with a process or keeps himself concealed within the Province with like intent; (b) in the case of non-resident debtor liable to resident creditor; (c) in the case of debtor having transferred or intending to transfer property to defraud creditors. In the above cases an order for attachment may be obtained in an action commenced in the usual manner. (See Garnishment.)

BANKRUPTCY.—(See Canadian Bankruptcy Act in final pages of Reference Book.)

BILLS OF EXCHANGE AND PROMISSORY NOTES.—These are governed by Dominion Statutes. Bills do not bear interest (unless expressed on the face) until after maturity. After maturity the legal rate of 5 per cent. can be recovered. Promissory notes and bills of exchange do not require to be stamped and are negotiable and are subject to the right of set off between the original parties, but not in the case of a holder for value without notice, and bills must be presented for payment at maturity and notice of dishonor given to bind endorses, otherwise, as a general rule, they will be discharged. All bills and notes should be presented for payment. A protest is *prima facie* evidence of presentment and notice. Three days' grace is allowed on notes and bills of exchange except when payable on demand. When days of grace expire on a legal holiday, the next day shall be the last day of grace.

BILLS OF SALE AND CHATTEL MORTGAGES.—Sales and mortgages of personal property not accompanied by an immediate delivery and following by an actual continued change of possession are absolutely void as against creditors of vendor and mortgagee and subsequent purchasers or mortgagees in good faith for value without actual notice unless a bill of sale or mortgage be filed with the Clerk of the County Court in the Judicial Division where the goods and chattels are situated within twenty days of the date thereof, accompanied by an affidavit of execution and an affidavit of the vendee or mortgagee showing the good faith of the transaction; such mortgage must be renewed within thirty days preceding the expiration of two years from date of filing, by filing a statement exhibiting the interest of the mortgagee and showing the amount due and payments made and an affidavit that the mortgage is not kept on foot for any fraudulent purposes, otherwise it will cease to be valid as against creditors and other subsequent purchasers and mortgagee in good faith for valuable consideration. In respect of such sales, mortgages and renewals the Bills of Sale Act must be strictly observed, otherwise there is danger of the documents not being valid.

COMMERCIAL TRAVELERS.—The municipal councils are authorized to pass by-laws controlling, regulating and licensing commercial travelers.

CORPORATIONS.—Corporations are created by act of the Provincial Legislature and by Letters Patent under the Joint Stock Companies Act of Manitoba, and by Act of Dominion of Canada. Shareholders are generally only liable on the amount remaining unpaid on their shares. Foreign Corporations (which include Corporations incorporated by Dominion of Canada) with a few exceptions must obtain a license to carry on business in Manitoba. If such foreign corporation does business in Manitoba by resident agent without first obtaining such license such corporation cannot sue, in respect of sales made, in the Courts of the Province until licensed, and such general agent and foreign corporation are both liable to penalties.

COURTS.—Claims for debt or money demands to the amount of $500 can be sued for in the County Court (where the court fees are small.) Where the amount is over $500 action must be brought in the King's Bench. Non-resident plaintiffs may be required to give security for costs. The usual amount in the County Court is $25 and the usual amount in the King's Bench is $200, but same may be increased.

EVIDENCE.—See Testimony.

EXECUTIONS.—In case of executions in the County Court against traders there is no priority (unless the amount is under $50.00), each execution creditor shares equally. Where the debtor is a non-trader and execution is issued and realized on there is no delay about paying the moneys over to such execution creditor. An execution in the King's Bench binds all goods of the judgment debtor in the Sheriff's division from the date of being placed in the hands of the Sheriff for a period of two years, before expiration of which, same must be renewed. In case of County Court Executions same only binds goods from seizure. Lands are not bound by execution but the judgment creditor must obtain a certificate from the proper officer and register same in the Land Titles office or Registry Office in which the lands are situated so as to bind the lands. Such registration must be renewed very two years and such judgment registered take priority against lands according to date of registration. In Manitoba this binds all lands of the debtor registered in the said Land Titles Office or Registry Office which he now has or afterwards acquires, proceedings may be taken before the Court to sell any of said lands, but in any such case the judgment debtor is entitled to his exemptions in respect of exempt lands. All moneys realized by the Sheriff or by the Bailiff against a trader where the amount is over $50.00 are advertised in the Official Gazette and are held for three months subject to distribution at the end of such time amongst judgment creditors who have placed executions in the hands of such Bailiff or Sheriff. An execution issues in the County Court six days after judgment. In the King's Bench forthwith after judgment.

EXEMPTIONS.—The following real and personal property are exempt from seizure and sale under writs of execution or other process. 1st—Bed and bedding in the common use of the judgment debtor and his family and the household furniture not exceeding five hundred dollars in value. 2d—Necessary and ordinary clothing of the judgment debtor and his family and necessary fuel for six months. 3d—Twelve volumes of books, books of a professional man, one axe, one saw, one gun, six traps. 4th—Necessary food for judgment debtor and his family during eleven months. 5th—Three horses, mules or oxen, six cows, ten sheep, ten pigs, fifty fowls and food for the same for eleven months (horses exempt only if used by judgment debtor to earn his living.) 6th—The tools, agricultural implements and the necessaries used by the judgment debtor in his trade or calling to the value of five hundred dollars. 7th—Articles and furniture necessary to the performance of religious services. 8th—Land upon which the defendant and his family actually resides or which he cultivates, wholly or in part, or which he actually uses for grazing or other purposes, provided it be not more than one hundred and sixty acres, if more the surplus may be sold. 9th—House, stables, barns and fences on such land. 10th.—Seeds necessary for seeding eighty acres. 11th—Actual residence or home of any person other than a farmer, provided the same does not exceed in value fifteen hundred dollars; if it exceeds such value then it can be offered for sale and sold, the fifteen hundred dollars to be paid Dominion of Canada and Letters Patent of over to the debtor and the fifteen hundred dollars being exempt from seizure under execution, garnishment, attachment for debt or any legal process. Partnership firms cannot claim exemptions for the several partners, but one only for the firm. Wages are exempt from garnishment to the extent of twenty-five dollars a month. None of these exemptions can be claimed on behalf of a debtor who is in the act of removing from the Province or about to do so, or who has absconded, taking his family with him. Agreements to waive exemptions are null and void.

FOREIGN CORPORATIONS.— Foreign corporations cannot hold lands in Manitoba unless they are licensed. See also corporations.

GARNISHMENT.—In both King's Bench and County Court certain plaintiffs in actions for debt may at any stage of the action garnish all debts, obligations and liabilities due, owing and payable or accruing due. The sum of $40.00 per month is exempt out of wages from garnishment.

INTEREST.—There are no laws against usury except in the case of banks who may not charge more than seven per cent. and also in the case of money lenders who make a practice of lending money at a higher rate than ten per cent.; no such person may charge more than twelve per cent. on any sum under $500. The legal rate is five per cent., but except as above indicated any rate may be agreed upon. Interest may be recovered on an open account from and after demand and notice that interest will be charged if the account be not paid.

JUDGMENTS.—Judgments remain in force for ten years without renewal. They are not a lien upon either personal or real estate of the debtor. Execution must issue for the purposes of binding goods and chattels and certificate of judgment must be registered for the purposes of binding lands. Execution may issue at any time within six years. A judgment is renewable by suit in the ordinary way, but no action can be brought upon a judgment recovered on a previous judgment, whether same is recovered in the Province or elsewhere.

LICENSES.—These are matters left to the jurisdiction of municipalities. Most municipalities have strict by-laws regarding transient traders.

LIEN NOTES.—Vendors by agreement may retain the right of possesion and the title to goods bargained for provided the manufactured goods have the manufacturer's name or some other distinguishing mark attached and in default of payment the Vendor may summarily retake the article bargained for without legal process. This agreement must be in writing.

LIENS IN FAVOR OF BANKS authorized by the Laws of the Dominion of Canada. (See this title under the Laws of Ontario. The law is a general one applicable to all the Provinces of the Dominion.)

LIMITATIONS OF ACTIONS.—On contracts not under seal action must be brought within six years from the accuring of the cause and action on contracts under seal within ten years. Actions for the recovery of real estate within ten years. Acknowledgment of debt or part payment is sufficient to take the case out of Statue after which it begins to run anew. Foreign judgments are simple contracts when it is sought to enforce them in Manitoba.

MARRIED WOMEN—May hold and enjoy property free from the debts and control of their husbands in as full and ample a manner as if unmarried and may contract with

respect to their separate property and may also trade, and carry on business as if unmarried. A husband is liable for the debts of his wife to the amount of money which he received with her at marriage, if any.

MECHANICS' LIENS.—Every mechanic, machinist, laborer, miner or any other person doing work upon or furnishing material to be used in the construction, alteration, or repair of any building, land, wharf, pier bulkhead, bridge, trestlework, vault, mine, well, excavation, sidewalk, paving, fountain, fish pond, drain, sewer, aqueduct, roadbed, way or building or any of them, shall have a lien or charge for the price of such work or materials upon such building, wharf, pier, etc., and the lands occupied thereby or enjoyed therewith and limited in amount to the sum justly due to the person entitled to such lien provided that no lien shall exist for any sum under $20.00, such lien shall attach upon the estate or interest in such lands, buildings, etc., of the owner at whose instance or request and upon whose credit or with whose privity and consent or for whose direct benefit such work will have been done or such materials, etc., placed or furnished. Provided that in case the lien is claimed by sub-contractor, the amount shall be limited total proceeds of such sale and shall come to its or his hands, and shall be deducted out of the moneys received and shall in no case be charged to the debtor, and no preference or priority shall be obtained by any creditor after the furnishing of such declaration by garnishing process or other to the amount payable to the contractor or sub-contractor for whom the work shall have been done or materials supplied. No lien shall continue to exist unless the claim of lien in accordance with the act is filed in the Land Titles Office or Registry Office for the district in which the land affected is situated within thirty days from the completion of the work or supplying the materials, which claim must be strictly in accordance with the Mechanics and Wage Earners' Lien Act 1898, and amendments thereto. A person filing a lien must bring action in the proper court within ninety days from the completion of the work or supplying material and register *lis pendens* against the land in the proper Land Titles Office or Registry Office, otherwise again the lien will cease. In case the land is encumbered by a mortgage such mortgage shall take priority only to the extent of the value of the lands before commencement of the work, etc. A lien has priority over judgments, executions, assignments, attachments or garnishing orders issued or made after such lien arises. Any number of lienholders may join in one action. In the event of sale of the lands or buildings covered by the liens under proceeding through the court the proceeds are divided pro rata. In the event of death the right of lien goes to the personal representative. The owner entering into contract for building must retain 20 per cent. of the contract price if the contract is less than $15,000, and 15 per cent. if over $15,000 to provide for liens. Wage earners have priority on this sum over all lien holders for thirty days wages.

MORTGAGES ON REAL ESTATE—Must be registered, otherwise subsequent mortgagee without notice may register and obtain priority. Under the practice of the Registrar of Land Titles at Winnipeg a typewritten mortgage will not be registered.

PROOFS OF CLAIMS.—In cases where assignments have been made the assignee is entitled to particulars of claim proved by affidavit or declaration. The creditor must state whether he holds security tor the claim and such security may be valued and deducted from the claim or the assignee may take an assignment thereof at an advance of 10 per cent. of its specified value.

REPLEVIN.—When any goods and chattels have been wrongfully distrained, taken or detained they can be replevined. This must be done in accordance with the King's Bench Act or the County Court Act, in accordance with whether the value of the goods is under or over $500. The claimant must give a bond double the value of the goods.

SALES IN BULK.—The purchaser of stock of goods in bulk shall demand and the vendor shall furnish a statement showing particulars of the debts over $50.00, verified by declaration, and if such statuory declaration is not demanded and furnished. same shall be deemed fraudulent and shall be void as against the creditors of the vendor unless the proceeds is applied by the vendor on and towards payment of his creditors pro rata without preference. Where the purchaser obtains such statutory declaration he shall either obtain a written waiver from the creditors of the vendor or shall pay the whole of his purchase money or deliver his promissory notes or other documents securing the same into the hands of a Trust Company or an official assignee for distribution pro rata among the creditors of the vendor. The fees of any such trust company or official assignee shall not exceed 3 per cent. of the vise. If the purchaser, upon receiving statutory declaration, fails to deliver such moneys or goods into the hands of a trust company or official assignee for distribution, same shall be deemed fraudulent and shall be absolutely void as against the creditors of the vendor unless the whole proceeds of such sale are in fact actually applied by the vendor in payment of his creditors pro rata. Any sale or transfer of a stock of goods, wares and merchandise and part thereof out of the usual course of business or any interest in the business or trade of the vendor so conveyed such sale shall be deemed Sale in Bulk within the meaning of the Act, provided however if the vendor produces and delivers to the purchaser a written waiver from fifty per cent. of his creditors in number and value the provisions of the act shall not apply. The act applies to traders as defined thereon. but it has been held does not apply to hotel keeepers. Action must be brought within sixty days from date of sale, or receipt of notice thereof by creditors.

SERVICE OF PROCESS.—Unless the contrary is ordered in most cases this must be personal.

STATUTE OF FRAUDS.—The following agreements must be in writing: (1) Those not to be performed within the year: (2) those to answer for the debt, default or miscarriage of another; (3) Agreements in consideration of marriage: (4) By executor to answer for the debts out of his own estate; (5) Contracts for the sale of goods to the value of $50.00 and upwards unless part delivered or part payment; (6) Agreement for sale of lands (but leases for a term less than three years need not to be in writing).

STOPPAGE IN TRANSITU.—This exists only so long as the goods are in the course of transit and is terminated by delivery to the consignee or by *bona fide* assignments of the Bill of Lading.

TAXES.—Lands may be sold for taxes when taxes are in arrears for more than a year. Redemption may be made at any time before the expiration of two years from the tax sale by applying to the Treasurer of the municipality, village or city in which the lands are situated. After two years the tax purchaser makes application to the District Registrar of the Land Titles Office where the lands are situated for title. The District Registrar requires six months notice of the application to be served either personally or substitutionally as he may order on all persons appearing to have an interest in the lands and until the notice has been served and the time given elapsed any person interested may redeem by applying to said District Registrar.

TESTIMONY.—The rules of evidence in Manitoba are those prevailing in England on the 15th day of July, 1870, to some extent modified by local enactment. Evidence used in court is oral, unless taken under commission or under order of the Court. No person is disqualified as a witness by reason of interest. Husbands and wives are competent and compellable witnesses. A witness can affirm instead of taking the usual oath. In collection cases where the action is undefended no proof is necessary. Where the defendant defends to gain time and an application is made to strike out the defense an affidavit is sufficient. If the case goes to trial, the evidence must be taken personally at the trial or under commission. In forwarding claims for collection the full names must be given of persons constituting a partnership, and if the firm is incorporated same must be stated, and also it should be stated if the corporation is licensed in Manitoba. Full details of the claim should be given in all cases.

VERIFICATION OF ACCOUNTS.—Verification is of no use and accounts and claims must be proved by evidence by the plaintiff or by admission by the defendant, or by witnesses examined in court or under a commission under order of the Court.

NEW BRUNSWICK---ABSTRACT OF COLLECTION LAWS, ETC.

ABOLITION OF PRIORITY AMONG EXECUTION CREDITORS.—The Creditor's Relief Act of 2nd Edward the VIIth, Cap. 111, A.D. 1902, abolishes priority among execution creditors. If sheriff levies money on an execution against a debtor where the amount endorsed to levy is upwards of $200 or if the debtor permit such execution under which any of his goods are seized to remain unsatisfied in the sheriff's hands till within two days of the time fixed for the sale, or for twenty days after seizure, or allows execution endorsed as aforesaid against his land to remain unsatisfied for nine months: proceedings under this Act may be taken by other creditors whether their claims are overdue or not and upon duly filing certificates of their claims with the sheriff, any money which he holds or which shall afterwards be received by him upon any levy against the said debtor is distributed ratably among such creditors as have filed their certificates.

ARREST.—Upon making an affidavit setting forth the cause of action, and the amount due, and that the arrest is not made for the purpose of vexing or harassing debtor, arrest can be made on first process, but not after judgment, unless by order of judge, upon showing fraud or false pretences, or that defendant has means to pay judgment, or is about leaving the Province, to the prejudice of plaintiff. After arrest defendant is entitled to his discharge upon making a disclosure showing no property but that available by execution on the judgment.

ATTACHMENTS.—The property of an absconding, absent or concealed debtor upon application of a creditor for $40, and upwards, may be attached. No other attachment laws. (See Garnishee.)

BANKRUPTCY.—(See Canadian Bankruptcy Act in final pages of Reference Book.)

CHATTEL MORTGAGES OR BILLS OF SALE.—They require to be filed within thirty days of the date of execution, otherwise are void as against third parties, and must be renewed every twelve months by the mortgagee filing a statement showing the amount still due for principal and interest and also of all payments made on account; and in case of failure to file such statement and affidavit within the time aforesaid any creditor or the mortgagor may by a written notice served upon such mortgagee require him to file such statement and affidavit, and if same are not filed within thirty days after service of such notice then such mortgage shall cease to be valid as against any execution against the goods and chattels of the mortgagor issued at the suit of such creditor. They must be filed with the registrar of deeds for the county in which the maker resides, if resident within the Province, and if a non-resident then in the county in which the goods may be. This does not apply to bills of sale or mortgages or vessels registered under the shipping acts, nor to bills of lading, warehouse receipts and other liens created under the Dominion Bank Act.

COMMISSIONS.—Commissions to take evidence are issued from courts of record, viz:—The supreme and county courts.

CONDITIONAL SALES OF CHATTELS.—By the New Brunswick Statutes 62 Victoria Cap. xii, receipt notes, hire receipts, and orders for chattels given by bailees of chattels where the condition of the bailment is such that the possession of the chattel passes without any ownership therein being acquired by the bailee until the payment of the purchase or consideration money or some stipulated part thereof are only valid as against subsequent purchasers or mortgages without notice in good faith for valuable consideration in the case of manufactured goods for chattels, which at the time possession is given to the bailee have the name and address of the manufacturer, bailor or vendor of the same printed thereon or attached thereto, and no such bailment shall be valid as against such subsequent purchaser or mortgagee as aforesaid unless it is evidenced in writing signed by the bailee or his agent, and a copy of such writing filed with the registrar of deeds of the county in which the bailee or conditional purchaser resided at the time of the conditional purchase writing. The registrar files such writings upon payment of ten cents for every such filing.

EXECUTIONS—Issue immediately on signing final judgment in the supreme and county courts, and when deposited in the sheriff's office, binds the goods, chattels, lands and premises of the debtor. A memorial of the judgment being filed in the registrar's office becomes a charge upon the real estate for five years. The sheriff must first exhaust the personal property before selling the real estate, and must return the execution on the return day thereof.

EXEMPTIONS.—Wearing apparel, bedding, kitchen utensils, tools of trade to the value of $100.

GARNISHEE.—A judgment creditor upon a judgment obtained in the supreme or county court, when the amount remaining due exceeding $80, may obtain an attaching order, garnisheeing debts or sums due and owing to the judgment debtor. Wages due to the judgment debtor for his personal labor or services to the extent of $20, exempt from garnishment.

INTEREST.—If no rate be mentioned five per cent. can be collected, although any rate agreed upon between the parties is legal. Interest cannot be charged upon an open account unless by agreement to that effect. Bill and notes carry interest after their maturity; judgments also carry interest at the rate of five per cent.

JUDGMENTS.—Judgments are obtained in Supreme and County courts under practice outlined in Judicature Act 1909 if no appearance. In ten days interlocutory judgment may be signed for want of appearance or of defence. Judgments in county courts and superior courts only can be made liens on land. Judgments are good for twenty years. In all cases where the defendant resides within the jurisdiction of the court and the action is upon a bill of exchange, promissory note or cheque, or on a bond or contract under seal for payment of a liquidated amount of money, the plaintiff may issue a writ of summons with a special endorsement of the particulars of his claim thereon, and may sign final judgment and issue execution thereon if the defendant does not appear within ten days after service upon him. If the defendant appears to a writ of summons so specially endorsed, the plaintiff may on an affidavit made by himself or by any other person who can swear positively to the debt or cause of action, and stating that in his belief there is no defense to the action, obtain from a judge in chambers a summons calling upon the defendant to show cause why the plaintiff should not be at liberty to sign final judgment for the amount so endorsed, together with interest, (if any) and costs. The judge may upon return of the summons, unless the defendant by affidavit or otherwise satisfies him that he has a good defense to the action on the merits, or disclosed such facts as may be deemed sufficient to entitle him to defend the action, make an order empowering the plaintiff to sign judgment forthwith.

JURISDICTION OF COURTS.—Magistrates $20, in tort $8; parish courts $80 in debt, $32 in tort; county courts $20 to $400

in debt, $200 in tort; supreme court $400 and upwards.

LEGAL HOLIDAYS. — Sundays, New Year's Day, Good Friday, Easter Monday, Queen's Birthday (May 24), Dominion Day (July 1), Christmas Day, and any day appointed by proclamation for a public holiday or general thanksgiving, if any of these days falls on a Sunday then the next following day is held. Bills of exchange and promissory notes falling due on any of these days are legally due on the next following day, not being a holiday.

LIENS IN FAVOR OF BANKS authorized by the Laws of the Dominion of Canada. (See this title under the Laws of Ontario. The law is a general one applicable to all the Provinces of the Dominion.)

LIMITATIONS.—Notes and accounts are barred by statute in six years.

MARRIED WOMEN—Are competent to make binding contracts on themselves or their property. By "The Married Women's Property Act" acts of the New Brunswick General Assembly, 1895, Chap. xxiv., which act came into force on the first day of January, A. D., 1896, a married woman, if capable of acquiring, holding, and disposing by will or otherwise of any real or personal property as her separate property in the same manner as if she were a *feme sole*, without the intervention of any trustee. She is also capable of entering into and rendering herself liable in respect of and to the extent of her separate property on any contract, and of suing and being sued in all respects as if she were a *feme sole*, and her husband need not to be joined with her as plaintiff or defendant or be made a party to any action or other legal proceeding brought by or taken against her; and any damages or costs recovered by her in any such action or proceeding, shall be her separate property, and any damages or costs recovered against her in any such action or proceeding, shall be payable out of her separate property and not otherwise. Every contract entered into by a married woman otherwise than as agent, is deemed to be a contract entered into by her in respect to and to bind her separate property, whether she is or is not in fact possessor of or entitled to any separate property at the time when she enters into such contract, and such contract binds all the separate property which she may have at that time or thereafter be possessed of or entitled to. It is, however, expressly provided that nothing contained in the act shall prejudice the husband's tenancy or right to tenancy by the curtesy in any real estate of the wife.

MECHANICS' LIENS.—Unless he signs an express agreement to the contrary, every mechanic, machinist, builder, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, or erecting, furnishing or placing machinery of any kind in, upon or in connection with any building, erection or mine, shall by virtue of being so employed or furnishing have a lien for the price of the work, machinery or materials upon the building, erection or mine and the lands occupied thereby or connected therewith. The claim of lien must be registered in the office of the registrar of deeds and where a lien is for wages it may be registered at any time within thirty days after the last day's labor for which the wages are payable or materials furnished.

PARTNERSHIPS.—All persons carrying on business as general partners in the Province are required to file in the office of the registrar of deeds for the county in which the co-partnership business is carried on a certificate containing the name or firm of the co-partnership, and the names and respective places of residence of the different partners, and in case of neglect or refusal to do so may be made to forfeit or pay to the county treasurer the sum of sixty dollars, and also the further sum of ten dollars per day for each and every day's neglect or refusal after notice from any creditor or creditors of the firm.—Con. Stat. N. B., cap. 97.

Limited Partnerships.—Limited Partnerships for the transaction of all business may be formed by two or more persons, consisting of one or more general partners and one or more special partners. The special partners contribute to the common stock a specific sum in actual cash payments as capital, and are liable for any debts of the partnership only to the extent of such contributions. A certificate containing the name or firm of the partnership, and the names and respective places of residence of the general and special partners, with particulars of capital contributed, etc., must be filed in the office of the registrar of deeds in the county where the partnership business is principally carried on, and publication must be made in some public newspaper, or in the *Royal Gazette*, for three months immediately following such registry. If such publication be not so made, the partnership shall be deemed general. The business of the partnership must be conducted by the general partners under such firm name as they shall adopt, and if the name of any special partner be used as such firm name or part of the same with his consent and privity and without the addition thereto of the words "special partner," he shall be deemed and treated as a general partner. In case of the insolvency or bankruptcy of the partnership no special partner is allowed to claim as a creditor until the claims of all the other creditors of the partnership have been satisfied.—Stat. N. B. 52 Vic. cap.

VERIFICATION OF ACCOUNTS.—Claims against estate of deceased person must be attested to; against insolvent estate must be verified by statutory declaration.

NEWFOUNDLAND---ABSTRACT OF COLLECTION LAWS, ETC.

AFFIDAVITS.—In causes or matters depending in the Supreme Court affidavits may be sworn in any part of His Majesty's dominions, before any judge, court, notary public, or other person lawfully authorized to administer oaths, and in foreign parts before any British consul or vice-consul.

ARREST.—In any action where the sum of $50 or upwards is involved, a judge may order a warrant for the arrest of the debtor, at any time after writ issued and before judgment, upon affidavit of plaintiff or his agent showing the nature of the claim and such facts as satisfy the judge that there is probable cause for believing debtor has made or is about to make some disposition of his property, or is about to quit the Colony with intent to defraud his creditors generally or plaintiff in particular, or that his absence will materially prejudice the prosecution of the action, or that he is possessed of means of payment which he withholds from his creditors. Detaining creditor must pay a certain amount per diem to sheriff for maintenance of debtor whilst under arrest.

ASSIGNMENTS.—Assignments and payments made or given by any insolvent within two months prior to his declared insolvency, and with a view to give an undue preference to any creditor, are null and void in case the person taking or recovering the same or for whose benefit the same was taken or received had notice or was aware of the insolvency. Voluntary assignments may be made for the benefit of creditors, but there is no law to compel same, the remedy being by petition in insolvency, upon which a trustee will be appointed by the court.

ATTACHMENTS.—At any time after the issue of a writ of summons a warrant or attachment of the property debts and effects of defendant may be issued by plaintiff, upon the filing of a sufficient affidavit made by plaintiff or some person on his behalf, showing defendant to be justly and truly indebted to plaintiff in a liquidated amount of $20 or upwards in a cause of action to be therein set forth. When debts or damages are unliquidated, the court or a judge may, upon a sufficient affidavit in that behalf, stating the nature of the claim and particulars of the damage actually sustained, and showing that defendant is about to make some disposition of his property, or is about to sell or dispose of the subject matter of the action or remove same beyond the jurisdiction, order a warrant of attachment to issue.

DEEDS.—All deeds affecting lands in the Colony should be registered in the registry of deeds. Such registration is not essential to the validity of deeds, but unless so registered they are void against any subsequent purchaser or mortgagee for value, who shall first register, or against any trustee in insolvency, or trustee for benefit of creditors, or against subsequent attachments, either on mesne or final process. For registration deeds may be proved (a) by the acknowledgment under oath of all the parties executing from whom any interest passes, (b) by the oath of a subscribing witness or witnesses that all the parties from any interest passes executed the same in his or their presence. Such acknowledgment may be taken and oath administered within the Colony by (1) The registrar of deeds. (2) A judge of the Supreme Court. (3) The Deputy Registrar or any clerk appointed under the Registration of Deeds Act. (4) A commissioner of the Supreme Court. (5) A Justice of the Peace; and without the Colony by (1) A Judge of a Court of Record, under the seal of such Court. (2) The Mayor or Chief Magistrate of any city or town under the seal of such city or town. (3) A Notary Public under his official seal. (4) Any of His Majesty's Consuls or Vice-Consuls. (5) A Commissioner of the Supreme Court of Newfoundland. It is unnecessary to prove or certify the seal or signature of any of the above officials. In any case either within or without the Colony the execution of a deed by the parties thereto in the presence of any of the persons authorized to take the acknowledgment of such parties may be substituted for such acknowledgment under oath and the usual certificate should be varied accordingly.

EXECUTIONS.—Execution may be levied upon moneys, bank notes, bills of exchange, cheques, debentures, bonds and other securities for money, chose in action, equitable interests in property real or personal and all other property and effects whatsoever. Debts and goods may be garnisheed in the hands of third parties. Writs of execution remain in force for one year, but may be renewed before expiration for another year and so on from time to time.

EXEMPTIONS—From attachment, execution, distress for rent and from operation of insolvency laws; working tools and implements of trade, fishing skiff or punt, necessary cooking apparatus, bedding and wearing apparel of debtor and his family.

INTEREST.—Interest at the rate of 6 per cent. may be allowed by the jury on debts or sums certain due by virtue of a written instrument at a certain time, or if payable otherwise then from the time when demand of payment shall have been made in writing, so as such demand shall give notice to the debtor that interest will be claimed from the date of such demand until the time of payment.

JUDGMENT—May be had four days after service if defendant resident in St John's; if resident elsewhere in the Colony eight days after service. When the defendant is resident outside the Colony, appearance must be entered within time allowed by court, failing which judgment may be entered. Execution on judgment may issue at any time within six years, after which time an order for leave is necessary. Judgment carries interest at five per cent.

JURISDICTION OF COURTS.—1. All Magistrates and two or more Justices of the Peace have jurisdiction to hear and determine in a summary way all civil actions for recovery of debt or damages to the amount of $200, except actions for malicious prosecution and actions against Justices or public servants for acts done in discharge of their duties. An appeal lies to next sitting of the Supreme Court in cases where over $20 is involved in the judgment. Magistrates or two or more Justices also have jurisdiction to any amount concerning the wages of laborers engaged in lumbering or mining, of servants in the fisheries, the supplying of bait, the hiring of boats for the fisheries and the wages or shares of seals of any person engaged in the seal fishery, but in case of damages for wrongful dismissal in connection with seal fishery jurisdiction is limited to $40. 2. The Supreme Court has jurisdiction over all causes and matters to any amount. Appeal from the Supreme Court lies to the Privy Council where amount over $2,000 are involved.

MARRIED WOMAN'S PROPERTY ACT.—Under this married women may trade on their own account without husband's consent, and are liable to the insolvency laws. They may acquire, hold and dispose of property without intervention or trustees. Generally our law, statutory and otherwise, is the same on this subject as that of England.

MECHANICS' LIENS.—Unless he signs an express agreement to the contrary every mechanic doing work or furnishing material for the construction of any building, etc., may have a lien upon the building and lands occupied therewith, in cases of leasehold the freehold may also be charged by consent of the owner thereof. The amount chargeable by sub-contractor is limited to the amount payable to the contractor or sub-contractor as the case may be. The owner may pay parties having an unpaid account or demand against the lien holder in respect of work done or materials furnished for the building, upon receiving notice within thirty days of same, and such payment is deemed a satisfaction *pro tanto* of such lien. The lien must be registered during the progress of the work, or within thirty days of completion, and proceedings to enforce it must be taken within ninety days from completion.

In the City of St. John's, commercial travellers not domiciled in the Colony are required to pay a license fee of $50 per year.
